From bright pinks and yellows to bold prints, fashion and accessories take on a colorful new life this spring, encouraging Mom to let loose and enjoy the season. Buying accessories for Mom is a simple and affordable way to update her wardrobe. Think oversized and colorful like Dooney and Bourke's pink patent leather hobo or Betsey Johnson's bold floral necklace. Don't forget to pick out something shiny like an Everlon diamond knot pendant in 14k gold. We know that Mom is always on the clock so why not buy her a trendy Marc by Marc Jacobs watch that will always keep her on time and in style.

From trips to the soccer field to endless errands, Mom spends her days shuttling her family around town. Give her some well-earned pampering with fragrant perfumes and body lotions

that have her feeling and smelling lovely. For the newest scent of the season, have Mom spray on Miss Dior Cherie. If a soft seductive scent is more her style, Donna Karan's Cashmere Mist will remain a classic staple in her fragrance collection.
